SALT Community Development Project Fund Application

Eligible Applicants:

1. An individual who is in need of home repairs and is nominated by another individual, a church, a not-for-profit doing business in Schoharie County, the Schoharie County Office for the Aging, Schoharie County Department of Social Services, or the Schoharie County Office of Community Services. Examples of home repair projects can be outside or inside home repairs, power washing, step repair/replacement, painting of property, planting of grass, etc. Funding is about neighbor helping neighbor—and helps the nominated individual to have the resources to complete home repairs. Stronger applications should identify groups of individuals who will help the nominated individual complete the work on their home.

2. A small business in Schoharie County in need of façade repairs, external/internal painting, signage, and other materials that assist with refurbishing or launching a business property.

Community Development Projects for home repair up to $500. Community Development Projects for businesses up to $1000.
